

# Spot Cleaning Instructions

Spot clean frequently and launder when necessary using the following stain dependent guidelines.

**DYE  
STAINS**

**Dye Stains** (fruit stains, mustard, grass, felt pens, tempera paint etc.)

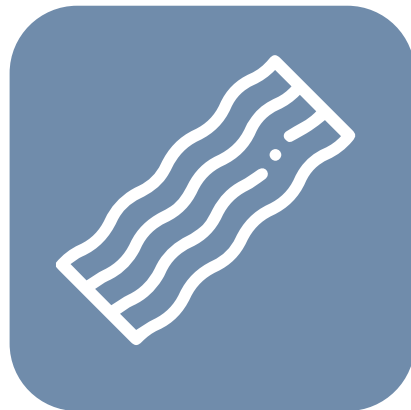

**Recommended:** Pretreatment with StainBlaster Enzyme Boost or StainBlaster Multi-Purpose, then Aquanomic 2.0 in the wash wheel.

**PROTEIN  
STAINS**

**Protein Stains** (baby food, cheese sauce, cream or pudding, egg, milk, ice cream, mucus, vomit, urine, feces etc.)

**Recommended:** Pretreatment with StainBlaster Enzyme Boost or StainBlaster Multi-Purpose, then Aquanomic 2.0 in the wash wheel.

**OIL BASED  
STAINS**

**Oil Based Stains** (bacon fat, butter/margarine, lard, mayonnaise, salad dressing, cooking fats and oils, hand and face lotions etc.)

**Recommended:** Pretreatment with StainBlaster Grease Remover or StainBlaster Multi-Purpose, then Aquanomic 2.0 in the wash wheel.

**TANNIN  
STAINS**

**Tannin Stains** (Alcoholic beverages, coffee, tea, fruit and tomato juices, soft drinks, berries, cologne, felt tip water colored pens and washable ink, etc.)

**Recommended:** Pretreatment with StainBlaster Multi-Purpose, then Aquanomic 2.0 in the wash wheel.
